IN ACCORDANCE WITH NATIONAL EDUCATION POLICY 2020

Indira Group of Institutes (IGI), Pune

IGI was founded in the year 1994 under the aegis of Shree Chanakya Education Society (SCES) by Dr. Tarita Shankar, a doyenne in the field of education and an idealistic leader, along with Prof. Chetan Wakalkar. In the last 28 years of presence, IGI has initiated and managed 14 educational institutes in the field of Management, Pharmacy, Mass Communication, Architecture, Information Technology, Engineering, Science, Commerce and Schooling. IGI has a dedicated team of talented and experienced teachers excelling in their respective domains. It also has highly skilled staff and management to support the student in all walks of life. IGI is a renowned name in India and it is now expanding its horizons globally by initiating many international ventures.

- Remedial classes
- Certification-oriented training from collaborative companies
- Career and Leadership Development Program from Industry experts
- Contextual learning with the help of case studies
- Project-based assignments

Faculty Members

We have highly experienced in-house faculties for the our programs. We also have tie-ups with well known coaching classes / academy like Rajyaseva Academy Pune, Rajpath Academy Pune. They provide practical training and hands-on experience to our students especially for competitive exams like MPSC / UPSC, Group B, Group C posts, IBPS – PO, Bank Probationary Officer, LIC – AAO and Staff Selection Commission.

- Industry Experts ➤ Trainers with International Exposure ➤ Ph.D & University Approved ➤ Consultants

Advantage of Integrated Programs

Students are offered two years of intensive competitive training within the academic structure as part of this programme, which helps them excel in all types of exams while also improving their IQ at every stage. Essentially, this curriculum combines the requirements of education and the benefits of coaching into a single package.

The programme eliminates the need for any further tuition or coaching outside of college. A strong and committed team of expert faculty members that are well-versed in both academic and competitive techniques.

This one-of-a-kind programme is meant to help young brains improve their knowledge and talents in order to pass competitive exams. It is also aimed to lay a solid foundation for the UPSC exam, allowing students to become IAS, IPS, and IFS officers at a young age. Science + integrated Coaching for Competitive Exams.

➤ Canteen

The Institute has a Cafeteria, which is uniquely designed and located in the main campus. Cleanliness and hygiene are given immense importance here. Canteen authorities always make it a point to provide the hygienic and balanced food to the students so that they are better prepared to cope with the rigors of the course.

➤ Hybrid Classroom and Seminar Rooms

It has spacious classrooms enabled with modern audiovisual facilities and computer labs to facilitate digital learning. The classrooms have been equipped with facilities to conduct virtual class room sessions to ensure compliance with social distance and safety precautions. The college has a 300 seater air-conditioned auditorium located in the main campus to facilitate seminars and sessions by industry speakers. There are basketball, volleyball courts, gymnasium and infrastructure for other sports. It helps in distressing and maintaining physical and mental wellness.

➤ Library

The Library of the Institute has an excellent collection of reference, textbooks, competitive exam books and encyclopedias related to the field of Management. Library has subscribed to all popular business news papers and magazines of India. The library is regularly updated by periodicals and journals. In addition to curriculum-related books, our library is also well stocked with books on general reading, self-help and motivational literature.

SOUL Program

Indira College of Arts, Commerce & Science, Pune offers Soul program to ensure the physical and mental fitness of their students. SOUL being the brainchild of Dr Tarita Shankar who herself is an ardent follower and promoter of a healthy lifestyle and mind. This initiative is an attempt to put this important habit into practice amongst today's youth. Under SOUL, we conduct in house sessions of Yoga imbued with readings of Bhagwad Gita that takes care of the body and mind cleansing of the students.

Department of Music

For a budding musician, an aspiring sound enthusiast looking to make a career in sound and more. ICACS has a well-equipped music academy offering future music makers and artists a pathway to learn various skills for composing music for songs, composing background scores, live sound concert training and more.

Educational Field Trip

A field trip was arranged for the students of FYBA (Psychology) by the college on 29 November 2022, at ZEP Rehabilitation Centre.

The objectives were to sensitize the students towards special children, to discover new worlds, to reflect on the things that unite human beings, to interact with all of them and to study the subject practically for better output and understanding.

The students of Indira college of Arts, Commerce and Science spent a quality time studying and gathering information about these children. Students learnt about the mental disorders of ZEP students. Students were able to learn psychological disorders and could study psychology lessons. Students develop the sense of values, responsibilities, civics rights and duties as the citizen of the country or as a psychology student.

Educational Study Tour

An educational trip was arranged for the students of FYBA (Geography) by the college on 15 December 2022 at Sinhagad Fort, Pune.

The objectives were to sensitize the students towards our rich history and heritage, to discover new worlds and to explore new geographical areas, to know about the different geographical features of a place.

Educational Study Tour

Indira college of arts, commerce and science conducted one-day study visit to Sinhagad fort for F. Y. B. Sc. for Botany and Zoology subject. An excursion trip was made for educational purpose. To learn the natural science as a subject, it is important to make the student a better understanding of the subject by allowing them to see and observe a natural environment.

Students learned the animal in-situ and ex-situ conservation. The faculties of respective subjects Dr Pratibha Bomble (Zoology) and Mr. Kiran Ghotkule (Botany) guided the students during the visit.

Sports Competition

An basketball competition was organized for girls students on the occasion of International women's day.
